

County of Warwick Archery Association EGM Tuesday 26th November 2024

Proposed: Brian Tustin Seconded: Alan Smith

That the EGM shall discuss and vote on the proposals as laid out below.

1. That the proposals below come into effect on 1st January 2025.
2. To remove the pro-rata CWAA subscription payment in favour of a single annual subscription.
3. To remove the “Enbloc” Junior Club fee and replace it with a single annual subscription for individual junior members.
4. To reclassify juniors as anyone under the age of twenty-one on the date that their subscriptions are due.
5. To outline the CWAA affiliation pricing structure for senior members, junior members, University clubs and School clubs.
6. To stop collecting affiliation fees on behalf of WMAS.
7. To update the CWAA constitution, as shown in the attached document, to reflect the above changes and to make various updates to the wording.

Explanation/Supporting Comments

1. Unless changes are made the collection of fees will be out of synchronisation with Archery GB, which make their collection extremely difficult to administer.
2. The enbloc payment of junior fees is only of benefit to certain clubs.
3. Collection of WMAS fees would be extremely difficult as they are pro-rated. The proposal means that all Clubs and Direct members will be required to make WMAS payments directly to WMAS Treasurer.
4. If the proposals are agreed then the constitution needs to be amended to recognise these changes.
5. The opportunity is also being taken to update some of the wording of the constitution. This includes changing the references to GNAs in the document to Archery GB.
6. The proposed affiliation fees from 1st January 2025 are listed below.

CWAA subscription fees from 1st January 2025

All Senior Members (including disability and direct)
21 years of age and above on AGB membership date - £10 per 12 months

All Junior Members (including disability and direct)
20 years of age and under on AGB membership date - £4 per 12 months

University Club (enbloc fee)
For all members whose "First Club" in AGB is a University Club - £100 per 12 months

WMAS subscription fees from 1st January 2025

This will be communicated to all Clubs and Direct Members by WMAS – no fees will be collected by CWAA after 1st January 2025.
